Carbondale, PA 18407

Dear Mr. Lawler:

Thank you very much for allowing the Committee to Restore Carbondale City Hall to borrow a projector and screen from the Carbondale Area High School during Pioneer Days 1982.

The First Annual Carbondale City Hall Lecture and Film Series, that was sponsored by the Committee during Pioneer Days 1982, was a great success. In August 1983, the Committee will sponsor the Second Annual Carbondale City Hall Lecture and Film Series. At that time, we would very much like to be able to again borrow a projector and screen from the Carbondale Area High School. May we have your permission to do so?

Sincerely,

S. Robert Powell
President
